

**Guide Dogs
for the Blind**

Orientation & Mobility Immersion Program

Guide Dogs for the Blind (GDB) is pleased to offer a **FREE Orientation & Mobility Immersion Program** for people interested in developing the O&M skills that are most relevant to guide dog mobility.

- Week-long courses are held throughout the year.
- Transportation, room and board, and all meals are included.
- The courses are conducted by O&M specialists on location at one of our partner organizations in Northern California.
- Open to qualified individuals from the U.S. and Canada.
