About Guide Dogs for the Blind

Guide Dogs for the Blind is more than an industry-leading guide dog school; we are a passionate community that serves the visually impaired. With exceptional client services and a robust network of trainers, puppy raisers, donors, and volunteers, we prepare highly qualified guide dogs to serve and empower individuals who are blind or have low vision. All of our services are provided free of charge; we receive no government funding. GDB is headquartered in San Rafael, California, with a second campus in Boring, Oregon. More than 15,000 teams have graduated since our founding in 1942, and there are over 2,200 active teams in the field. For more information, visit [guidedogs.com](https://www.guidedogs.com).
